## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-60 are allowed.

The following is an examiner's statement of reasons for allowance:

The most relevant reference, the *Chancey* reference, fails to disclose accepting a selection of a first sequence of characters from a person making a the request and accepting a second sequence of characters which identify an entity unrelated to the person and combining the first sequence of characters and the second sequence of characters into the cardholder name.

Updated searches revealed no references that disclosed the claimed invention, nor were any secondary references identified which could be reasonable combined with *Chancey*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The *Atkin* reference is cited for its disclosure of management of financial accounts through the use of digital communication.
